

Youth Services

If you're looking for fun this April then look no further than the Youth Services area of the Smyrna Public Library! In addition to our regularly scheduled, weekly story hours, the list below includes our special events and themes!

National Library Week. Once again, this national celebration of libraries falls during Cobb County School's spring break. April 2-8th we will celebrate the wonderful imagination of children's books. Thanks to the generosity of a library patron, we will make kaleidoscopes during each of the weekday story hours! We will also sponsor an afternoon movie on Wednesday April 5th at 3:00 p.m. of children ages 3-12.

National Children's Poetry Week is April 9-15. In addition, Drop Everything and Read (DEAR) Day is Wednesday, April 12. Families across the country are encouraged to "drop everything" and read for 30 minutes. This year's event falls on the 90th birthday of Beverly Cleary's birthday. Join us in Youth Services at 3:30p.m. in the afternoon for cake and a little trivia as we celebrate (sponsored by the Friends).

National Dance Week will be celebrated April 23- 28th. We are participating in this year's event with a wonderful week full of dance books that both boys and girls will enjoy-young and old! Freshen up your "Hokey Pokey" and join us at story time!

BOYS ONLY! Ages 3-9 will join us for the Superhero/High Flyin' Fun Day on April 22nd at 11:00a.m. Registration opens on April 1st. This one hour event will surely be a great time! Note Our **GIRLS ONLY** Fancy Nancy program was held March 18th at 11a.m. with more than 20 girls celebrating all that is pink, purple and fancy.

Weekly program hours:

Tuesday at 11:00 a. m. ages 3-5
